

The International Society of Precision Agriculture in partnership with Kansas State University presents the

# 16<sup>th</sup> International Conference on Precision Agriculture

21-24 July 2024 | Manhattan, Kansas USA

[ispag.org/icpa](http://ispag.org/icpa)

#16thICPA

## 16<sup>th</sup> ICPA POST CONFERENCE TOUR

### Conclude your 16<sup>th</sup> ICPA experience with the Post Conference Tour.

Register today for the Post Conference Tour following the ICPA closing session on Wednesday, 24 July.

Our 8 hour tour will stop at Veris Technologies, Inc. for a tour of their facilities and product demonstrations. We will then stop at Brian and Lori Martin's farm for demonstrations from Kansas State University and a discussion on the relationship between academia, industry, and the farmer. We will finish up the tour at Liquid Art Winery and Estate with a tour of their vineyard and an evening reception.

Secure your spot by registering for the Post Conference Tour alongside your conference registration, or simply email [info@ispag.org](mailto:info@ispag.org) to add this exceptional tour to your existing conference plans.

**Join us for a day of exploration and camaraderie!**
