

The International Society of Precision Agriculture presents the
**16th International Conference on
Precision Agriculture**
21–24 July 2024 | Manhattan, Kansas USA

International Society of Precision Agriculture Outstanding Graduate Student Awards

Deadline: Nominations are due by **Monday, 15 April 2024**.

Purpose: The purpose of this award is to recognize graduate student achievement, training, preparation and research in the area of precision agriculture. Up to 10 awards will be made to graduate students presenting their research work (oral or poster paper) at the 16th ICPA conference. The award will consist of waived conference registration fees and US \$500 cash award. The selected candidates will be honored during the conference award ceremony. The award is administered by the Award Committee of the International Society of Precision Agriculture.

Nomination: Nominee must be presenting a paper (oral or poster) at the conference to be eligible for this award. All nominations must be submitted as an e-mail attachment in Acrobat pdf. All documents must use Times New Roman, font size=12, and single-spaced. Nomination materials are limited to **6 pages**.

NOMINATION PACKAGE GUIDELINES

I. Cover page (Page 1):

TITLE: Title the document, "Nomination of (insert nominee's name) for International Society of Precision Agriculture Outstanding Graduate Student Award 2024."

NOMINEE: Include the name, title, mailing address, telephone number, and email address.

NOMINATOR: Include the name, title, mailing address, telephone number, and email address.

II. Personal achievements (limited to 2 pages):
