

## International Society of Precision Agriculture Pierre C. Robert Precision Agriculture Awards

The *Pierre C. Robert Precision Agriculture Award* honors individuals who have made significant contributions to precision sciences and technology. Two awards will be given in this category to a Young and a Senior Scientist/Professional. The young scientist/professional must be 42 or younger on June 15, 2020; the senior scientist/professional over 42 on June 15, 2020.

The selected candidates will be honored during the conference award ceremony with a Plaque of Achievement and US\$1000 cash award.

**Nomination:** The nominee must be presenting a paper (oral or poster) at the conference to be eligible for this award. All nominations must be submitted as e-mail attachments in Acrobat pdf. All documents must use Times New Roman, font size = 12, and single-spaced. Nomination materials are limited to **6 pages**, excluding reference letters.

### Nomination Package Guidelines:

- I. **Cover Page (Page 1):**
  - Title:** Title the document, “Nomination of ..... (insert nominee’s name) for Pierre C. Robert Precision Agriculture Awards 2020: (Specify: Young or Senior Scientist/Professional)”
  - Nominee:** Include the name, title, mailing address, telephone number, and email address.
  - Nominator:** Include the name, title, mailing address, telephone number, and email address.
  - References:** Provide contact information (name, full mailing address, phone, and email) for two other individuals who are willing to submit (via separate e-mail to the Chair of the award) one-page reference/support letters.
- II. **Nominator’s 1-page letter (Page 2):** (*nomination from the nominator*).
- III. **Personal achievements (Page 3):** (*education, positions, and honors*)
  - a. *Degrees received.* Give field, date, and institution for each degree.
  - b. *Professional positions held.* Give name of each position, years, institution or organization, and locations.
  - c. *Honors and awards received.* Honors and awards received.

**IV. Professional achievements/accomplishments (Pages 4 through 6):**

- a. *Professional Contribution:* Identify the single most notable contribution the nominee has made to precision agriculture.
- b. *Additional Contributions:* Identify and briefly explain the other contributions (other than publications) on which the nomination is based. Include significant achievements and accomplishments in teaching, outreach, research, industry, service, and leadership.
- c. *Membership:* List membership in professional, honorary, and academic societies; and service to recognized professional societies.
- d. *Evaluation:* Identify in this section the primary contributions on which the nomination is based.
- e. *Publications/Patents:* List no more than 12 of the nominee's technical or non-technical publication or patents that demonstrate contribution to the science, technologies, or education programs or precision agriculture.

**Submission:** The entire nomination package must be submitted as one pdf file, in an e-mail attachment. Nominations are due on or before Monday, June 1, 2020 to: The chair of the ICPA Awards Committee, Email: [awards@ispag.org](mailto:awards@ispag.org).

Questions related to the awards nomination must also be addressed to [awards@ispag.org](mailto:awards@ispag.org).
