

## **International Society of Precision Agriculture Pierre C. Robert Precision Agriculture Awards**

The *Pierre C. Robert Precision Agriculture Award* honors individuals who have made significant contributions to precision sciences and technology. Two awards will be given in this category to a Young and a Senior Scientist/Professional. The young scientist/professional must be 42 or younger on June 15<sup>th</sup>, 2022; the senior scientist/professional over 42 on June 15<sup>th</sup>, 2022.

The selected candidates will be honored during the conference award ceremony with a plaque of achievement and US\$1000 cash award.

**Nomination:** All nominations must be submitted as a pdf email attachment. All documents must use Times New Roman, font size = 12, and single-spaced. Nomination materials are limited to **6 pages**, excluding reference letters.

### **Nomination Package Guidelines:**

- I. Cover Page (Page 1):**
  - Title:** Title the document, “Nomination of ..... (insert nominee’s name) for Pierre C. Robert Precision Agriculture Awards 2022: (Specify: Young or Senior Scientist/Professional)”
  - Nominee:** Include the name, title, mailing address, telephone number, and email address.
  - Nominator:** Include the name, title, mailing address, telephone number, and email address.
  - References:** Provide contact information (name, full mailing address, phone, and email) for two other individuals who are willing to submit (via separate e-mail to the Chair of the award) one-page reference/support letters.
- II. Nominator’s 1-page letter (Page 2):** (*nomination from the nominator*).
- III. Personal achievements (Page 3):** (*education, positions, and honors*)
  - a. *Degrees received.* Provide field, date, and institution for each degree.
  - b. *Professional positions held.* Provide name of each position, years in each position, institution or organization, and location.
  - c. *Honors and awards received.* Provide name and date of honors and awards received.

**IV. Professional achievements/accomplishments (Pages 4 through 6):**

- a. Professional Contribution:* Identify the single most notable contribution the nominee has made to precision agriculture.
- b. Additional Contributions:* Identify and briefly explain the other contributions (other than publications) on which the nomination is based. Include significant achievements and accomplishments in teaching, outreach, research, industry, service, and leadership.
- c. Membership:* List membership in professional, honorary, and academic societies; and service to recognized professional societies.
- d. Evaluation:* Identify in this section the primary contributions on which the nomination is based.
- e. Publications/Patents:* List no more than 12 of the nominee's technical or non-technical publications or patents that demonstrate contribution to the science, technologies, or education programs of precision agriculture.

**Submission:** The entire nomination package must be submitted as one pdf file, in an email attachment. Nominations are due on or before Monday, May 2<sup>nd</sup>, 2022 to: the Chair of the ICPA Awards Committee, Email: [awards@ispag.org](mailto:awards@ispag.org).

Questions related to the awards nomination must also be addressed to [awards@ispag.org](mailto:awards@ispag.org).
