The International Society of Precision Agriculture in partnership with Kansas State University presents the

**16th International Conference on Precision Agriculture**

**21-24 July 2024 | Manhattan, Kansas USA**

## International Symposium on Machinery and Mechatronics for Agriculture and Biosystems Engineering (ISMAB2024)

This is an announcement from the International Symposium on Machinery and Mechatronics for Agriculture and Biosystems Engineering (ISMAB2024), an international conference consisting of agricultural machinery societies from Japan, Korea, and Taiwan. Next September, ISMAB2024 will be held in Indonesia for the first time to integrate with the ASEAN region. Japan is sponsoring a session related to precision agriculture, and we look forward to exchanges with researchers from a wide range of regions, especially from ASEAN countries and Oceania. The first announcement is available [here](#).

## ISPA Country Representative - Ejaz Ashraf

**Ejaz Ashraf –

Country Representatives serve to help promote ISPA by championing the ISPA mission and purpose globally, in particular, in the country they represent. ISPA is growing internationally so Country Representatives remain an important position to help ISPA best serve people, groups, governments and others, globally connecting them to science and experts.

Please join us in thanking ISPA Country Representative from Pakistan, Ejaz Ashraf.

If you are interested in becoming a Country Representative, please email [info@ispag.org](mailto:info@ispag.org) with your bio highlighting your experience in precision agriculture and your CV. ISPA requires that all Country Representatives are current members of the society. To become a member, please complete the [membership form](#).
